

What drew us to Bloomfield? It's all about Lifestyles...

From the time of Native American footpaths to multi-laned Woodward Avenue residents of Bloomfield have lived distinctive lifestyles. Local historian Buzz Brown will tell us why Native Americans, Farmers, Owners of Country Estates and Suburbanites have made this area home over the years. Discover the **Lifestyles Timeline** that offers clues to why transportation, and the infrastructure required to support it, have played a great part in the evolving character of the area and its people – and may well give us clues to our future.

It's the **next Local History/Local Resources program**, sponsored by the **Bloomfield Historical Society** and the Bloomfield Township Public Library.

Sunday, February 21

3 to 4:30 p.m.

Open to the public at no charge
